GS-13 Grade Level Requirements in Geography and Cartography Divisions

1. In the Geography Division an increase of five GS-13 positions (to a total of 10) is warranted by existing major components of Branch programs.

Total GS-13 positions needed for each Branch is as follows:

Far East Branch	-	2 positions (increase of 1)
Western Hemisphere Branch	-	1 position (no change)
Europe Branch	-	2 positions (increase of 1)
USSR Branch	-	3 positions (increase of 2)
Near East/Africa Branch	-	2 positions (increase of 1)

2. In the Cartography Division an increase of four GS-13 positions (to a total of 9) is needed by existing major components of Branch programs.

Total GS-13 positions needed for each Branch is as follows:

USSR Branch	-	2 positions (increase of 1)
Europe Branch	-	2 positions (increase of 1)
Far East Branch	-	3 positions (increase of 2)
Special Support Branch	-	1 position (no change)
Development & Construction Branch	-	1 position (no change)

3. We could use four positions within the next several months for promotion of GS-12's to GS-13, if the proposal is approved and the grade points are available.
